

14-Week Tuition Free Welding Course

The Plumbers & Pipefitters UA Local 375 is seeking interested individuals for a 14-week tuition free advanced welding course. Participants will be provided training in various pipe welding methods as required in pipeline construction, including associated classroom instruction. Students who satisfactorily complete the course work and successfully pass the downhill pipe qualification tests may be referred to the Local Union for dispatch.

All applicants are encouraged to have previous welding and construction experience. Applicants may be required to interview and/or complete a skills evaluation before selections. Selected participants will be expected to pass a drug screening as a condition of acceptance and may be subjected to a physical abilities exam as a condition of employment. While in training participants will be required to provide their own housing and transportation.

Classes are scheduled to begin Monday, August 28, 2017 and will be held Monday through Friday from 8:00 a.m. to 5:00 p.m. at the Fairbanks Pipeline Training Center until Friday, December 1, 2017. Participants will be expected to attend all training sessions made available to them. Welding and safety gear will be provided.

Funding for this course is provided by a grant from the State of Alaska Department of Labor and Workforce Development.

To apply please send cover letter, resume, current driving record and State of Alaska Department of Public Safety background check to:

UA Local 375 JATC
1978 Burgess Avenue
